

K.A.T. Raiders 2016

Advertising and Donations information

The KAT Raiders are a long standing youth football and cheer organization. We are a 501 (c) (3) nonprofit Group. KAT is 100% compliant with the USA Footballs Heads Up program. We are also member of the 100% Heads Up compliant League, and NEYSA (Niagara Erie Youth Sports Association). Links to both our league and USA football heads up website are available on our home page.

We welcome participants from ages 4-14 to join us, learning the benefits of being a team member, working together, and helping each other grow and mature in a safe and fun environment. All proceeds generated through advertising go directly back to the organization to help cover operating costs.

Year Book Advertising:

At the end of each year KAT Youth Football and Cheerleading provides a Yearbook to each and every participant. This is done at our Annual awards banquet in December. This has ranged from 150 – 225 participants in recent years. Extras copies are also printed for coaches and other contributors.

Website Advertising:

With Football, a seasonal sport, our web traffic tends to increase during the months of July through December. With slower months from January until June. We will include your logo and business information as well as a link to your website and/or Facebook page on our website for a full year.
